### START WITH ONE BUSINESS PROBLEM

Choose a focused session or a defined setup. We agree on the scope and delivery date before work begins.

#### 01 / AI & Business Working Session

**\$75**

45 minutes focused on one marketing or everyday AI task.

Includes a short intake, a live working session, up to 3 reusable prompts and a written action recap delivered within 2 business days.

Best for getting started. Guidance and practice; implementation is separate.

#### 02 / AI Workflow Starter

**\$175**

One repeatable task, set up in one agreed AI tool.

Includes up to 5 tailored prompts, 3 sample tests, a simple usage guide, a 30-minute handoff and one revision requested within 7 days.

Human-reviewed outputs. No integrations, coding or autonomous sending.

#### 03 / Inquiry-to-Booking Starter

**\$350**

A clearer path from first inquiry to the next conversation.

Includes one offer review, booking-page copy, an intake of up to 5 questions, 3 follow-up templates, a simple lead tracker and a 30-minute handoff.

One revision within 7 days. No website build, ads or ongoing lead generation.
